VLADYSLAV HONTAR

SOFTWARE ENGINEER/SOLANA BLOCKCHAIN DEVELOPER

+353830806274
HONTARVLADIE@GMAIL.COM
ATHLONE, IRELAND

https://vladyslavhontar.github.io/portfolio/

SKILLS

Programming languages: Java, Rust, JavaScript (basic), TypeScript (basic)

Blockchain: Solana, Anchor

Tools: Git, Linux

EXPERIENCE

2024-ongoing	**Rust developer, Solana smart contracts developer** EQUI Labs (startup) Developed backed, indexer, worked on architecture and provided innovative ideas into the project. Developed Solana programs with Anchor, worked with CPIs, optimized programs to use less CUs making the cost of the transactions cheaper.
2021-2022	**Hardware engineer -> Service Center Coordinator** SKLO Carrying out detailed repairs on iPhone screens, slicing screens and replacing screen parts (backlight, touchscreens, touch IC). Soldering of touchscreen soldering pads. Coordinated repair tasks, managed inventory and parts issuance, tracked repair costs and maintained technical documentation (position ended due to forced relocation)

PROJECTS

Q1 2025	**Solana aggregator** Swap tokens website with own indexer, routing system and arb redistribution to the user creating arb opportunities. Integrated wallet. https://swap.equilabs.io/swap
Q2 2024 – ongoing	**Solana arb** Monitors blockchain for arb opportunities and executes transactions if an opportunity exists
Q3 2024 – Q1 2025	**AI assistant on esp32** Talk to a small watch-size device and get displayed responses
Q3 2024	**Seefood (android app from Silicon Valley series)** Take a picture of a dish to get "hotdog" or "not hotdog" …

EDUCATION

2022-2025	**Ordinary Bachelor's Degree in Computer Engineering**
	Technological University of the Shannon (Ireland)
2019-2023	**Higher Certificate in Network Technologies and Telecommunications**
	Kyiv College of Communication (Ukraine)

CERTIFICATIONS

- *Google* Manage PostgresSQL Databases on Cloud SQL, Insights from Data with BigQuery, Share Data using Google Cloud, Exploring Data with Looker, Project Manager
- *Cisco* Network Academy
- *Technological University of the Shannon* Presentational skills

Note to Orca HR:

Thank you for reviewing my application. I understand that I may not fully meet the experience requirements but I would still appreciate the opportunity to be interviewed, or to be considered for any other position you may have available.
